Pill Head The Secret Life

Pill Head is the what's what of pills as well as a trip through an addicts brain. The sacred mysteries of the mingling and mixing of pill cocktails, how one can function under such incredibly compromised brain and body functioning.

Pill Head: The Secret Life of a Painkiller Addict: Lyon ...

The story of so many who have shared this experience--from discovery to addiction to rehabilitation--Pill Head follows the lives of several young people much like Joshua and dares to blow open the cultural phenomena of America's newest pill-popping generation. Marrying the journalist's eye with the addict's mind, Joshua takes readers through the shocking and often painful profiles of recreational users and suffering addicts as they fight to recover.

Pill Head: The Secret Life of a Painkiller Addict: Lyon ...

The daring and honest PILL HEAD digs far deeper than the average memoir about addiction. With precision and uncommon empathy, Joshua Lyon exposes the facts about painkillers and those who abuse them; he also fearlessly reveals his own intense, often frightening story. PILL HEAD is a terrific book.

Pill Head: The Secret Life of a Painkiller Addict: Lyon ...

Pill Head: The Secret Life of a Painkiller Addict by Joshua Lyons (Hyperion Books 2009) (616.86+/-). This is a gripping memoir of one type of drug addict: □The Pill Head.□ I had a poor understanding of the drama involved in the Pillhead's dope routine. Pain pills have never been my drug of choice (luckily?).

Amazon.com: Pill Head: The Secret Life of a Painkiller ...

With Pill Head, he demonstrates a crafty addict's ability to rationalize illicit pleasure, and a shrewd journalist's sense to doubt the long-term prospects of artificial narcotic happiness., Lyon writes powerfully about his own experiences as a young, troubled gay man in New York City, and it's this human story that stays with the reader., Pill Head is the perfect combination of informative and deeply personal; alarming and even sad.

Pill Head : The Secret Life of a Painkiller Addict by ...

Pill Head | a memoir by Joshua Lyon. Joshua Lyon first bought Vicodin illegally, over the internet, on assignment for Jane magazine. But taking three of them at once wasn't part of the job□he did that to see what all the fuss was about. In a matter of weeks he'd blown through the first 90 and was jonesing for more. And he wasn't alone: 33 million Americans have admitted to using prescription painkillers like Vicodin, Oxycontin, and Percocet non-medically, and 7 million are currently ...

PILL HEAD: The Secret Life

"Pill Head" is part memoir and part journalistic research into this ever-increasing pill-popping scourge. Except for the gay sex scenes, ahem, Lyon has written a heart-felt portrayal of his own addiction and the struggles of others he meets along the way.

Pill Head: The Secret Life of a Painkiller Addict by ...

In Pill Head, the first book to bring together the journalist's eye and the addict's mind, Lyon explores both his own addiction and the cultural phenomena that made pill-popping so popular, especially among the twenty-somethings of Generation Rx. Including insights gleaned from interviews with experts and shocking, often painful, profiles of current and former recreational users, it is equal parts memoir and gripping investigative journalism.

Pill Head The Secret Life of a Painkiller Addict: Joshua ...

Common pill bugs are about 1/4 to 1/2" long and they're usually slate grey to dark blue grey. They're insects so they have three body parts, the head, thorax, and abdomen. Their head had two sets of antennae, one which you can't really see, and a set of very simple eyes (too tiny to see without a microscope)

The Secret Life of Pill Bugs - The Infinite Spider

Pill Head is not only a memoir of descent, but of endurance and of determination. Ultimately, it is a story of encouragement for anyone who is wrestling to overcome addiction, and anyone who is looking for the strength to heal.
