Feb 7, 2017 - And what about the Christmas tree? . . . yes, it's that time again! Last year I did a Simply Christmas post on how to decorate a Christmas tree and having worked for many years as a visual merchandiser for a big city department store, I've dressed hundreds of trees. You can check out that post here if you'd like a few pointers. Christmas trees

We created a template for the heart simply by folding a piece of paper in half and cutting it out. We also made 3 different size circle templates to make the flowers. We lightly traced the heart onto the canvas using a pencil to give us a guide for placing the flowers.

## ~~Easy Spiral Paper Flower Heart — Canary Street Crafts~~

1 Draw a spiral line. On a sheet of paper, start drawing a spiral beginning at the center going outwards.  
2 Create four or more loops. Continue drawing the spiral until you have made about four or more loops.  
3 Draw a snake's head. Transform the spiral into a snake by drawing a snake's head at the outer end of the spiral.
