It teaches what most of us already know. However the text was written in a way that made it simple and easy to engage with the ideas put forward. Communities are the backbone of our herd mentality.~~

The Art of Belonging by Hugh Mackay - Goodreads

Hugh Mackay has a well deserved reputation as social commentator and observer. The Art of Belonging is a very good book which uses a fictitious Australian suburb as a mechanism to examine how we "belong" in our respective urban societies. While set in Australia, Dr Mackay's obsrvations are applicabale across much of the western world.

The Art of Belonging - Kindle edition by Mackay, Hugh ...

In his bestselling book, The Good Life, Hugh Mackay argued that kindness and respect for others are the hallmarks of a life well lived. Now in The Art of Belonging Mackay shows how strong communities develop our moral sense and build our emotional security. He says that as 'social creatures' we can only reach our potential when we engage with our communities - in the local neighbourhood, at work and even online.
