The Predictioneer's Game: Using the Logic of
Brazen Self ...

The game ends when all the cells are
correctly filled; Each game is solvable using
logic only, i.e., guessing is not needed; The
difficulty level changes the size of the grid
and the kind of logical strategies needed to
solve them.

Welcome to Digital Logic Design (The Game)!
This game combines elements of traditional
incremental games like Cookie Clicker with
more complex elements designed appeal to
someone interested in clicking less and
thinking more. In this game you will take on
the role of a digital logic designer.
